

MATHS IN THE MORNING (Foundation Stage to Y6)

Dear Parents/Carers,

You are invited to join us in school for our first 'Maths in the morning' event on **Thursday 30th November 9-10am**. The focus will be 'Number Facts'.

There will be a short presentation in the hall (9-9.15am) which will explain the curriculum expectations throughout school (including the fantastic approach of Times Tables Rockstars for KS2). There will then be a chance to visit your child's classroom (9.15-10am) to see how these facts are taught and perhaps even pick up some tips to practise at home!

The feedback from similar workshop sessions last year in Y6 was incredibly positive with parents feeling far more informed and confident in the Maths their children were learning. As a result, we have decided to extend the approach to the whole school and our aim is to hold one of these events every term.

Hope to see you there!

Mrs Donson

PLEASE RETURN THE REPLY SLIP BELOW

I will be attending the Maths in the Morning Workshop on Thursday 30th November 2017, 9-10am.
