Deputy head of school: Miss L. Clark

12th February 2025

Dear parents of children in Hawthorn class

We would like to share with you that sadly for us, Miss K Taylor is going to be leaving us at the end of this week. We will be very sad to see her go as she has given many years of loyal service to the school and has impacted hugely on every child she has taught, and every staff member she has worked with. We do however wish Miss Taylor the best of luck as she is getting married and relocating to London to start a new life with her fiancé and her family. We wish her every happiness.

We have recruited an amazing new teacher, Miss Begley. Miss Begley is an experienced teacher and will be joining the school as a full time class teacher and as a member of the senior leadership team. Miss Begley has already been in to school and taught the class and we are pleased to be welcoming her to our Beeston Fields Family. Likewise, Miss Begley has said she is "delighted" to be joining our school.

Unfortunately, Miss Begley will not be able to start until after Easter. We understand this could feel unsettling. It is our priority that the children remain feeling settled and continue to make the good progress they are currently doing, with the least disruption possible. This is why we have asked Miss L Taylor to teach the class until Miss Begley is able to start. The children already have good relationships with Miss L Taylor as she teaches the class weekly, and she has a good knowledge of how we teach, and what has already been covered.

As always, if you have any queries, please do come and speak to me.

Yours sincerely

K Beeley

Kristabel Beeley
