Dear Families,

A new logo and change to our name from September

We are excited to announce that from September our school will become '**Beeston Fields Flying High Academy.**'

Although our school's name may be changing, please rest assured the fabulous staff and high-quality provision for your children continues.

We are proud to be Beeston Fields. In our recent inspection, we were acknowledged as an improving 'good school' ***However, the evidence gathered at the inspection suggested that the inspection grade might be outstanding if a graded (section 5) inspection were carried out.*** We would like to build on this by rebranding and enhancing our school provision, whilst maintaining the school's unique character.

As part of our celebrations we will be providing each child in school with a new branded jumper featuring our lovely new school logo, which you can see above. To ensure we order the correct size for your child/ren please complete order form which can be found below by **Thursday 25th May**, or contact the school office.

For families who already have older children attending, and who may have serviceable jumpers/uniform with the old logo on, please feel free to continue to use those, or replace them with your free new one!

Our website and communications will also be changing. You may see an overlap between the previous logo and the new logo on some of our communications but we will do our best to keep this as straightforward as possible.
