Dear parents and carers

Parking at drop off and collection times

We are becoming increasingly concerned about some of the parking around school both at drop off time and at collection time. Some of the parking is dangerous, forcing children to have to walk in the road at times. We are concerned that this is an accident waiting to happen and do not wish for anyone, especially any children, to get hurt.

We are also aware that around both gates, but particularly at the Alderman Close gate, some parking is inconsiderate of local residents. This includes parking on private property, blocking driveways and blocking the road, meaning that residents are unable to leave their houses or unable to return to them. We are really keen to maintain positive relationships with our neighbours. Emergency vehicles also need a wider clearance to be able to access the area if required.

We are aware that the parking around school is limited and this is why we would request that where possible families walk to school. There is also more on-street parking a couple of roads away, requiring just a short walk from parking to school.

Please support us in ensuring that arrival to, and leaving from, school is as safe as possible for you and your children without inconvenience or frustration to the local community by parking in a safe and considerate manner.

Yours sincerely

Kristabel Beeley
Deputy Head Teacher
