Monday 7<sup>th</sup> October 2024

Dear Parents/Carers,

On **Wednesday 9<sup>th</sup> October** we will be visiting **Highfields Park** to enhance our enquiry 'Is new always best?'. During the trip, the children will learn about some of the changes in public transport in Beeston and travel on a modern day tram. This will allow them to compare old and new trams.

We will also utilise our trip on the tram by making observations of the seasonal patterns of the UK in autumn to link with our geography lessons.

We will be leaving school at **9:00** and returning for **11:55** in time for lunch time.

Throughout our trip the children will be wearing hi-vis jackets. We will be together as a year group for the duration of the trip but children will also be allocated to an adult on a 1:6 ratio basis to ensure all children are accounted for at all times. They will be paired with a walking buddy and when crossing roads' pedestrian crossings will be used wherever possible. In the week leading up to the trip we will speak about road safety with the children.

Children should wear their **school uniform** with **trainers/wellies** as they will be doing lots of walking. They will need a waterproof coat and layers under their uniform if necessary.

There is **no cost** for this trip.

Any changes to the trip will be communicated by Class Dojo and text message.

Kind regards,

**The Year One Team**
