Mobile Phone Policy for Pupils

Beeston Fields Primary and Nursery School has established the following Acceptable Use Policy for mobile phones that provides parents and pupils with guidelines and instructions for the appropriate use of mobile phones during school. We are sure that you will support us with this policy for obvious reasons.

While we acknowledge a parent's right to allow their child to bring a mobile phone to school, Beeston Fields Flying High Academy discourages pupils from bringing one to school.

1. Parents and pupils must read and understand the Acceptable Use Policy before they are given permission to bring mobile phones to school.
2. The Acceptable Use Policy applies to pupils during school hours on the school site. Mobile phones are not permitted on school trips or residential trips.
3. If parents need to contact pupils for any reason during the school day, this should be done via the school office and not via the child's mobile phone.
4. Only pupils who have written permission from their parents are entitled to bring mobile phones to school. **We advise parents to only request permission for pupils who walk to and from school without an adult. This request is only available to Y5 and Y6 pupils. Please complete the attached permission slip if you wish your child to bring his/her mobile phone to school and return the slip to the school office.**
5. If pupils bring a mobile phone to school, *the phone must be handed in on arrival via the main reception office and switched off until they leave the school premises* at the end of the day. Once dropped at the office, pupils should make their way to the line on the playground.
6. Pupils' mobile phones will be kept locked away until the end of the school day. A member of staff will return the phone to the pupil who will be asked not to switch it on until they are off the school site.
7. Mobile phones seen on the school premises being used at an inappropriate time will be confiscated immediately by a member of staff until the end of the day. At this time, it will be the responsibility of the parents to collect the phone from school, not the pupil. If a pupil is found taking photographs or video with a mobile phone of anyone, this will be regarded as a serious offence and disciplinary action will be taken including a meeting with parents.
8. The school cannot be held responsible for the security of pupils' mobile phones at any time.
