

Summer 2 - How can I take care of my world?

Recycling our rubbish turns it into something new. ☐

Kelly Ann Holmes uses old materials to make new art. ☐

The butterfly lifecycle is: Larvae, caterpillar, chrysalis and butterfly. ☐

A 'product' is something that we make and then sell to someone else. ☐

Twycross Zoo cares for animals that are endangered. ☐

An old t-shirt can be upcycled into a shopping bag. ☐

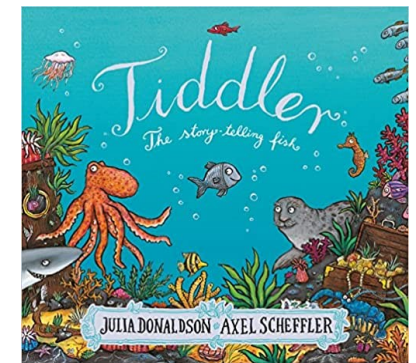

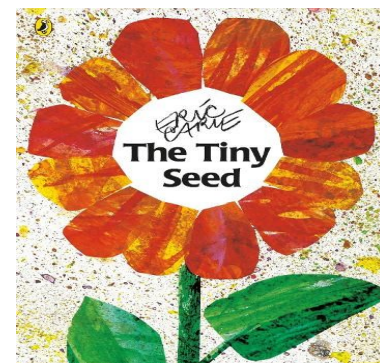

Andy Goldsworthy uses natural resources found outside to make art. ☐
